BETHEL, MAINE, THURSDAY, MAY 21, 1981

NEWS FROM THE BETHEL

Water District

The water district trustees and superintendent met with the Bethel selectmen Monday night to discuss points of mutual interest. Another similar meeting is now scheduled for August.

There has been a difference of views develop between the water district trustees and town officials over a proposed amendment to the water district charter. The two key points at issue which were discussed at Monday night's meeting were (1) a change to make the trustees an elected body and (2) expanding the size of the board to five members from its present three person size. The water district trustees feel that to manage and oversee, a basically technical operation such as the water district requires people with certain skills and experience that are better obtained through the appointive process. The pretty much national situation of deteriorating water systems and the painful need to make large capital expenditures seems in the trustees view to favor a non-political body rather than an elected body who may try to paper over the problem while in office at the expense of even worse conditions and higher expense in the future.

Replacing water main in West Bethel, a major water district project this year was completed on May 6. A one inch plastic line was replaced with eight inch ductile iron pipe. By replacing a line which chronically leaked, daily water flow has dropped from 1,000 cubic feet per day to 8-900 cubic feet per day which in turn reduces electricity costs for pumping. The water pressure in the area served has increased from approximately 25psi to 35-40 psi. Costs for this project were \$8,800; the installation and procurement of pipe were done after competitive bids had been submitted.

This week the water district is engaged in the biannual hydrant flushing program. This is done to flush debris from the mains and to check the operating condition of the hydrants. It takes about three evenings to do this work. The work time usually involves four hours a day from 9 p. m. until 1

LOCAL CHAMBER APPLIES FOR STATE MARKETING FUNDS

The Greater Bethel Chamber of Commerce has applied to the State Development Office for an industrial development grant of \$650. The purpose of the request, which if approved would have to be matched with local funds, is to improve the chamber's ability to effectively market small craft industry products along with output from the wood products industry.

Bethel's application was prepared for the chamber by Wende Frutchy, Marketing Director for the Sunday River Ski Area and a chamber director. In it the request calls for modest financial assistance to improve the quality of brochures advertising in "consumer oriented publications and for visiting officials at MassPort involved with exporting.

Although the application is for industrial marketing funds, it makes clear that Bethel publications will also list tourist facilities because of budget limitations.

TAXPAYERS ASSOCIATION

MEET THURSDAY, MAY 14

Bethel Taxpayers Association met Thursday evening, May 14, at the Bethel Savings Bank.

John Gray reported on meeting with the Assessors, May 4. He reported that the Assessors granted permission for several trailer owners to appeal to the County Commissioners. This has to be done by June 4, 1981.

The separation of Selectmen/Assessor position was discussed. The possibility of three instead of five on each board was also proposed after some input from the public.

a. m. Flushing is done in the evening so that residential customers would not have their service disrupted and so that there is less chance for customers getting cloudy water from their taps. Overall the flushing of mains improves water quality by removing potential sources of bacteria and particles.

LIONS CLUB IS CHOOSING PRINCESS MOLLYCOKETT '81

The Bethel Lions Club has announced that they are in the process of choosing a young lady to be honored as Princess Mollycokett for Mollycokett Day, Saturday, July 18.

Criteria for selection of Princess Mollycokett are as follows: young ladies interested need to submit a short background history of themselves, and a recent photograph; the minimum age is 15 and the maximum is 18; each individual will also need to submit a short essay as to why they would like to be chosen as Princess Mollycokett, and what this means to them and the community. The deadline for submitting the above is July 6, 1981. Submit all information to Dale C. Thurston, Box 55, Bethel, Me. 04217.

Princess Mollycokett will preside over Mollycokett Day festivities such as the parade, the awarding of prizes, etc.

Princess Mollycokett will also be presented with a \$50 U. S. Savings Bond by the Bethel Lions Club. Also, this year's Princess Mollycokett will preside over the Bethel Lions Club Float during the Indian Raid Bicentennial celebration, Aug. 1 and 2, 1981.

This will be on the agenda at the next meeting.

The idea of combining the Sewer Department and Water District as a possible cut back to the town budget was discussed. Robert Saunders spoke to the group about the Water District's unfavorable view on the subject.

A handout, "How the Town Might Save Some Money" was passed out for citizens to contribute ideas.

There was much discussion about the Board of Assessors' decision to factor all residential and commercial buildings 1.25. This means an increase in evaluation of 25% with trailers staying the same, as they were revalued last year. There was unanimous opposition to this increase.

The next meeting will be in June, with the date to be announced.

SPECIAL TOWN MEETING APPROVES FUNDS FOR PAGES AND RENOVATIONS

A special Bethel town meeting was held at the Telstar auditorium on Tuesday evening of this week with about 40 present. William Cousins served as moderator.

Voters overwhelmingly approved the appropriation of \$2,260 for the purchase of nine additional pages for the Ambulance Service. As a result of the action a total of 20 pages will be available for Ambulance Service use, with 11 being bought by funds approved at the annual town meeting in March.

Also approved was \$800 for the purpose of minor renovations and painting at the S. A. D. #44 bus garage, where space has been leased by the town for a two year period to house ambulance units, office space and training quarters for ambulance personnel.

The Selectmen were authorized to permit S. A. D. #44 to cut and use firewood, in such quantities and under such conditions as the Selectmen may determine, from the Town Farm property as partial or total compensation for the Ambulance Service's use of the S. A. D. #44 bus garage.

145th COMMENCEMENT AT GOULD, MAY 30

Saturday, May 30, marks the completion of the 1980-81 school year at Gould Academy, and the school's 145th Commencement Exercises will be held on that day.

The Baccalaureate Service will be held in the West Parish Congregational Church at 10 a. m. The speaker will be the Rev. Darryl Hamson who is a humanist counselor with the American Humanist Association and the parent of one of Gould's seniors.

A buffet luncheon for all parents, students and faculty will be held in the Academy's Gehring Hall Dining Room followed by the Commencement Exercises at 2 p. m. in Bingham Hall Auditorium.

The principal address will be given by Tony Montanaro, director of the Celebration Mime Theatre in South Paris, this year's Valedictory Address will be given by Miss Anne Hopkins of Newburyport, Mass. Diplomas will be handed out to seniors by President of the

CO-PASTORS CALLED TO WEST PARISH CONGREGATIONAL CHURCH

On May 17, the members of the West Parish Congregational Church called Reverend Brendon and Reverend Jean Bass of Lake City, Mich., to be the new co-pastors of its church. The couple plans to arrive in Bethel in early August and will reside in the Congregational Parsonage on Broad Street.

The Basses visited Bethel during the past week end and were guest preachers at the Congregational Church on May 17.

The new co-pastors are both natives of the mid-west. Brendon was born in Saginaw, Mich., and Jean is from Antigo, Wisc. However, both are familiar with New England having previously lived in the Boston area.

Board of Trustees, Alan B. Ordway and Headmaster Donald W. Fudge.

The Gould Academy Student Art Exhibition which includes pottery, prints, paintings, jewelry, and glass-blown objects, will also be held in the Owen Art Gallery on campus this day, and throughout the month of May.

Necessary to Dial 1-800-482-7433 To Summon Bethel Fire Dept. Starting Friday, May 22

Effective Friday, May 22, the only emergency phone number for the Bethel Fire Department will be 1-800-482-7433. This number has been in use since the first of the year and phone stickers listing the number have been distributed by members of the fire department. Additional stickers are available at the Town Office. The old red phone alerting system will be discontinued Friday morning, May 22. Anyone calling that number starting Friday will hear a recording indicating the 1-800-482-7433 emergency number.

The Town Office and Landfill will be closed Monday, May 25, in observance of Memorial Day.

The week of June 2-6 is Clean Water Week, sponsored by the Maine Wastewater Control Association and the Association hopes residents will visit their local wastewater facility to learn more about the wastewater treatment process and tour the facility. Bethel's Treatment Plant will hold an open house on Saturday, June 6, from 9 a. m. - 3 p. m. Plant Operator David Bartlett will be available to show people around and answer questions.

The Board of Selectmen met Monday evening, May 18, in the meeting room of the Bethel Savings Bank.

Victualers licenses were approved for Calico Corner, The Only Place, Mothers, Charlie's Place, Bethel Spa Restaurant, Martha's, Bulldog Diner, and Edelweiss.

Lodging House licenses were approved for the Bethel Inn, Norseman Inn, L'Auberg, Redwood Motel, Bethel Spa Motel, Conrad Tourist Home, and the Barn Motel. Innkeeper licenses were approved for the Bethel Inn, L'Auberg, and the Norseman Inn. It was also voted to recommend approval of a renewal liquor license for Mothers.

The Board reviewed and approved an agreement with the Oxford County Sheriff's Department for using deputy sheriffs for part-

With the rains of last week everything has just come to life. The grass is so green—also needs mowing. Frank and I drove to Livermore Falls Sunday forenoon and the flowers and trees are ahead of ours. The flowering crab-apple trees are in their glory there. One place had 10 planted and they were just a great big bouquet of pink flowers. Also out were tulips but was surprised at how few people had them. The river was high all the way up through as Saturday the rains came down in buckets—at least it would have if anyone had them out. Then Sunday it did clear off and would have liked to have worked in the garden in the afternoon; but the wind was too cold (at least for me). We did stop on the way home at my brother's, Danny Allen and family, and they gave us lobster rolls for dinner. Then this morning the temperature was freezing again so am in hopes that anyone that had anything that could get hurt in the gardens covered it up.

Tuesday and Friday of last week we had thundershowers.

Tuesday, May 12, was my folks, Mr. and Mrs. George Allen's 54th wedding anniversary. I drove down to Norway and we picked up my sister, Iva Holden, and the four of us drove to Readfield to my sister's, Marion Tucker's. We were going out to eat but Marion thought we could have a better visit just staying home. Her daughter, Roxanne Tucker Wight, also came to have lunch with us. It was a lowery day so none of us could have worked outside anyhow.

In between I have been getting volunteers for help as M.S. marchers. This is more common in Maine than any of the other 49 states and hits young adults in the prime of life.

Mr. and Mrs. Joe Shimamura went to the wedding of Bethany Rowe and Brian Dunham, Saturday, at Locke Mills.

Mrs. Evelyn Hilborn was very pleased that Ricky Angevine discovered the two dead squirrels in her chimney and took care of them for her before she discovered them. Ricky had gone up to clean the camp for her. Evelyn's dog, Toby, has been to obedience school and Evelyn is very pleased with the results. She also reports that the phoebes have returned and are busy making themselves a home.

Friday, Mrs. Hilborn entertained for dinner Kay McAllister, Frances Farnum, Bryant Pond; and Bertha Flanders, Locke Mills. This was a belated birthday celebration for Kay and Evelyn whose birthdays were in April. Sunday Evelyn had dinner in Portland and came back Sebago Lake Region way. She also said it was a lovely ride home. While the ladies enjoyed dinner one of them saw

NEWS FROM MRS. BOUCHARD'S NURSERY SCHOOL
This week 2½ and 3 year olds identified action pictures, classified objects and worked on eye-hand coordination exercises. The 4 year olds made alphabet trains, printed letters T-Z, made shape designs and began working on sight reading color words.

Art projects were bird house pictures, geometric blooms, painting with sponges and making newspaper beads.

For snack times they made sponge cake, egg custard, Syrian bread pizza, crackers with peanut butter and monkey bread.

Everyone looked at slides about What comes First? and played the What's Missing Game. The school is registering new children for next fall and looking forward to meeting them!

Andover

— Mrs. Marjorie Jodrey, Corres. —

Mr. and Mrs. Floyd Emerson Sr.
received word Friday of the birth
of their 12th grandchild, a son,
Arbor, Mich., to Mr. and Mrs.
Frankie Emerson, their first child.
Sharing honors as grandparents
are Mr. and Mrs. Warren Kern of
Andover, Mass.

Judy Bateson of Phoenix, Ariz.,
has been visiting her sister and
family, Mr. and Mrs. Fred Em-
erson and sons, Fred and Daniel.

Mrs. Ann Bishop and children,
Valerie, Zandy, David and Chad,
have moved into her house on Up-
per Main Street.

Mr. and Mrs. Rex Thurston and
sons, Danny, Jon and Kurt, spent
the week end in Manchester, N.
H., visiting her sister, Mr. and
Mrs. Francis Humphrey, who had
just returned after a visit in San
Diego, Calif., visiting their brother
and family, Mr. and Mrs. Theo-
dore Purcell and children, Fran-
cis and Marjorie. While in New
Hampshire, Mr. Thurston attend-
ed the Northeastern Logging Con-
gress in Bedford on Saturday.

The Moloket Mixers joined the
Sandy River Promenaders, The
Triple Town Swingers, and The
Diamond Corner Squares for a
Square Up for Cancer Dance. The
committees worked on it for a year
and it was held in the Community
Center and Junior High in Farm-
ington. Over 300 dancers supported
this great effort. Attending from
Andover were: Dottie and Roger
Mills, Polly and Dick Johnston,
Evelyn and David Wuori, Carol
and Otis Morton, Norma and Free-
man Farrington and Rena and Del-
mar Parker, Brenda and Chris
Bailey. Over 20 square dance call-
ers and round dance callers gave
their time for the benefit. An after
party was held at Terry and Shei-
la's "Allemande Hall" with seven
callers putting them through their
paces until 1 a. m.

Mrs. Betty Cole and daughter,
Mrs. Gertrude Linscott, were Sun-
day callers of Mrs. Bernice Glov-
er.

Mr. and Mrs. Cecil Silver, Mr.
and Mrs. Keith Silver and Melan-
ie, of Berwick, N. S., were week
end guests of Mr. and Mrs. Colby
Roberts and also visited Mr. and
Mrs. Eugene Merrill and Mr. and
Mrs. Kerry Merrill.

Worship leader at the Andover
First Congregational Church on
Sunday, May 17, was Dick John-
son. Rev. Wuori's sermon topic
was "Overcoming Depression".
The closing program of the Church
School year will be May 31 at 7 p.
m. Anyone interested in joining
either choir, junior or senior, are
more than welcome on Thursdays
at 7:30 p. m. On May 18, a "Clean
up" day was held at the church.
David Carter has returned after

Foster May 6. John Foster of And-
over was a luncheon guest of
Mrs. David Foster May 7.

Mrs. David Foster and Albert
Foster were dinner guests of Mr.
and Mrs. Richard Stearns in Rum-
ford Corner for a family get-to-
gether May 1. Present were Mr.
and Mrs. Walter Hamlin of South
Waterford; Miss Sheryl Hamlin of
Lewiston; Mr. and Mrs. John Fos-
ter, Denise and David of Andover;
Miss Nat Burnham of North Rum-
ford; Mr. and Mrs. Roland Tyler,
David and Daryl; Chris Russell,
of Dixfield; Mr. and Mrs. Roland
Stearns; Mrs. David Foster and
Albert Foster; and the host and
hostess and family, Mr. and Mrs.
Richard Stearns, Dan and Linda.

Mrs. David Foster visited Mr. and
Mrs. Roland Stearns when she was
there.

Mrs. David Foster was in Rum-
ford May 12 to have her car re-
paired and inspected. And would-
n't you know it—she ran out of gas
near the Animal Farm because her
gas gauge wasn't working. Thanks
to some very kind women she was
able to get the car off the road,
and two very kind young men came
along and gave her gas enough to
get to the garage. God bless all of
those who helped her. Mrs. Foster
visited Mr. and Mrs. William Eli-
ott on the way home.

STATE OF MAINE
HOUSE OF REPRESENTATIVES
District 63

Karen L. Brown, Representative

May 14, 1981
The final days of the legislative
session are becoming more diffi-
cult with many of the major de-
cisions facing us. The representa-
tives from the larger cities have
been working hard to get the repre-
sentatives from more rural com-
munities to compromise on tax
packages. One example of this is
to change the tax-free status of
non-profit organizations and to ap-
ply state and municipal tax for
services such as fire and police
protection, road, garbage and oth-
ers.

I opposed this concept that was
initiated by the city governments
of Portland and Bangor because
some of the non-profit organiza-
tions that would be affected are
medical centers (hospitals, health

centers, ambulance services), fra-
ternal organizations and granges.
These organizations provide ser-
vices for residents in these com-
munities and by creating a more
serious financial burden on them
would limit their membership, ser-
vices and possible existence.

The Part I Budget was passed
this week after much compro-
mise. Some of the programs that
Governor Brennan eliminated
were not reinstated and many of
his new programs are yet to be
financed.

THIS WEEK AT THE
ETHEL BISBEE SCHOOL

At a recent assembly the following children were presented certificates for their May birthdays: Amy Laban, Martha Newell, Darcy Moffett, Tammy Mason, Shilo Hutchins, Tommy Greene, Gregg Burris, Rebekka Kuzyk and Kelly Harrington.

Mrs. McCluskey presented Math awards to Penny Robinson and Emily Keyes. The children said goodbye to Mrs. Kathy Bennett who substituted for Mrs. Mary Jane Gaudreau. Mrs. Gaudreau returned to school on Monday, May 11.

Mrs. Davis acted out the poem, "What's in the Sack?" They presented the play "The Meeting of the Mice" from their reading book. Starring in the poem were Jeremy Morin, Meredith Haegle, Eric Anderson, Zachary Patrick and the rest of the class. Characters in the play were: Old Mouse, Daphni Bills; Middle House Mouse, Kristen Powell; Small Mouse, Sarah Kallay; Very Small Mice, Becky Hutchinson, Matthew Cummings and Brenda Hart; Cat, Meredith Haegle; Bird, Gail Ness; Big Field Mouse, Amy Laban; Middle Field Mouse, Kevin Carter; Little Field Mouse, Tracey Greene; Tiny Field Mice, Belinda Corraiveau, George Casivant, and Tammy Mason (absent). The commentator was Amy Murphy.

The Captain America Energy kits arrived from the Campbell Soup Company (Labels for Education Program). Each child received a Captain America Energy comic book.

Open House was held at EBS last Wednesday, May 13. The children presented a musical program for parents and friends. The program was directed by Miss Susan Mitchell, the district music teacher.

The Kindergarten children sang a medley of animal songs: "Little Turtle," "The Whale," "Peter, Peter Penguin," "Sammy the Seal," "The Old Gray Cat" and "Going to the Zoo." The first graders sang "I Can't Spell Hippopotamus," "I Bought Me a Cat," "Old Dan Tucker," "Old Joe Clark" and "You Sing a Song." The second graders sang "Three Drummer Boys," "Going Over the Sea," "The Naughty Little Flea" and "Oats, Peas, Beans."

The children were very happy to have some new playground equipment to play on. Parents, friends and teachers worked hard last Saturday, May 16, to build a balance beam, suspension bridge and an Alpine tire "walk." Many swings were repaired or replaced. A big "thank you" to everyone who helped make this possible.

A LATE SATURDAY FIRE gutted a dwelling on Mill Hill owned by Dr. Leonard Shaw. The house has not been occupied for some

UPCOMING ACTIVITIES
AT TELSTAR

The Telstar chapter of the National Honor Society under the direction of Lindley Wieden, advisor, will have its induction ceremony on Wednesday, May 27, at 8 p. m. in the Telstar Library. Parents and friends of inductees are cordially invited to attend the induction. The National Honor Society was founded to recognize those students who have demonstrated excellence in character, leadership, scholarship and service. Nominees are selected and membership standards reviewed by a faculty committee.

On May 28 there will be an orientation meeting for parents of eighth grade students planning to attend Telstar Regional High School.

On Tuesday, June 2, the spring athletic awards banquet will be held in the Telstar cafeteria and auditorium. Awards shall be presented to members of the track, baseball and softball teams.

The Drama Club under the direction of Mrs. Yates will be performing four skits on Thursday, June 4, at 7:30 p. m. in the Telstar auditorium. These short presentations promise to be very entertaining and will serve to introduce

YOUTH FELLOWSHIP OF
CONGREGATIONAL CHURCH

TO END YEAR WITH BANQUET

The Youth Fellowship of West Parish Congregational Church will end the year with a banquet on Wednesday, May 27, at the church. Slides of the year's activities, stories, awards and games should make for a fun evening.

Over the year good times have been shared at the regular supper meetings, outings and during the production of "It's Cool in the Furnace". The Fellowship has also contributed to Heifer Project International. Through their monthly pledge and other gifts, the group sent \$135 to Heifer Project. This will purchase one sheep, one hive of bees, and three flocks of chicks.

It has been my opinion to hang back and not be so agreeable to the state. Their figures do not show true values, as they know only of figures of property that sells. There are a lot of "For Sale" signs in Bethel and have been there for some time.

What an out of state person pays for a building shouldn't be used to determine a farmer's home-land of several generations. Also, I feel the state dictates to us what we have to do on a local level.

If you feel our Assessors have made a wrong decision or maybe should start dragging their feet a little in raising evaluation to be near 100% as possible, tell them. I am sure they will answer any questions they can for you. They are: Sam Timberlake, Pat Doonen, Peter Weeks, Stanley Howe and Robert Stevens.

Sincerely,
Robert L. Blake.

vious and public statements I feel at the very least this was meant to imply the manager was taking advantage of the owner and the owner at the very least was stupid for letting them. The fact of the matter is the manager has never been paid when out of work. The individual receives far less in wages than should be tolerated for anyone for the lies and injustices inflicted by persons of lesser character. The manager will remain in full charge until the property can be sold. As for the local lady with all the insight, I think she should put her money where her big mouth is and buy the establishment.

She could then put into practice her theory on how the employee should be scheduled to save money along with price structure of food.

With all her publicly aired ideas and suggestions put into use she should have her new property paid for in no time.

TELSTAR BASEBALL RECORD FALLS TO 7-7

The Telstar varsity baseball team improved their record to 6-3 and 3-0 in the league with a very impressive 4-1 win over St. Doms. Righthander Andy Chase pitched a seven hitter while walking only four and striking out nine. The Rebels were led by Rocky Myers who had a perfect four for four day at the plate. Telstar opened the scoring in the first when lead off batter Dave Whitman walked, stole second and came home on one of Myers' hits. The Rebels broke a 1-1 tie in the fifth inning in which they used two perfect sacrifice bunts and a suicide squeeze bunt by Glen Dunn for three runs and the victory. Greg Cushman, Scot Mills, Don Hebert, Josh Putnam and Grant Conrad made several outstanding defensive plays to support Chase's fine pitching.

Telstar's second game of the week resulted in a 7-3 setback at the hands of the hard-hitting Jay Tigers. Jay opened the game by scoring five runs in the first inning and although Telstar brought the score to 5-3 after three innings the Rebels were unable to get any closer. Rocky Myers pitched three hit ball over the final four innings in relief and Andy Chase and Captain Grant Conrad were able to muster the only hits of the game for the home team.

The Rebels avoided a potential disastrous loss at the hands of Buckfield Friday by coming up with three runs in the bottom of the seventh inning to scratch out a 7-6 win, and to remain undefeated in the conference. The big hit of the inning was by Greg Cushman who knocked in the tying and winning runs with a single to right.

The Rebels took a thrashing at the hands of the Berlin Mountaineers, Monday, 17-1, as the Rebel pitching staff gave up a season high of 20 hits. Good defensive plays despite the high score were bright spots for the young Rebels. The loss dropped Telstar's record to 7-5 overall.

Telstar's team hitting slump continued as the Fryeburg Raiders led by sophomore righthander Jay Lamonte defeated the Rebels 4-2. The loss, only Telstar's first in their conference, left the Rebels still in first place with a 4-1 record. Lamonte held the Rebels hitless until the bottom of the seventh inning when they put together four hits by Greg Cushman, Jeff Morgan, Scot Angevine, and David Whitman for their two runs. Only an outstanding catch by Fryeburg rightfielder Tim Chandler prevented the Rebels from an even bigger inning.

Telstar lost a tough 8-7 decision to Dirigo as the Cougars pushed across two runs in the final inning for the victory. Telstar jumped out to a quick 6-1 lead in the first inning but couldn't hold the hard-hitting Dirigo nine from coming

NEWS FROM ADULT AND COMMUNITY EDUCATION

The Adult and Community Education Pot-Luck supper and Learning Fair, held at Telstar on May 12, exceeded all expectations both in terms of numbers attending and in the level of exhibits and demonstrations presented. Between 250 and 300 people attended the supper and Fair, with over 300 attending the Fair alone. Much credit for the most successful event goes to the planning committee, composed of Cathy Newell, Rachel MacKay and Julie Daye, in addition to the students and teachers who pitched in with exciting demonstrations and exhibits, and to the many helpers with set-up and clean-up. The array of food prepared for the supper attests to the large number of multi-talented individuals who have participated in the Adult and Community Education program this year.

The Bird-Watching Trip to the coast, sponsored by the Adult and Community Education program on Sunday, May 17, was successful, with 23 attending. The group, under the direction of Don Feeney and Howard Whitten Jr., travelled to Scarborough Marsh and Pine Point, observing many varieties of birds and one seal. In their travels the group was interviewed and filmed by a reporter from Channel 6. Howard Whitten will be leaving for Alaska on May 25 to begin work for the U. S. Forest Service. Best wishes go with him from the Adult and Community Education program.

Cathy Newell, Director of Adult and Community Education and Ann Holt of the Telstar High School faculty, who has taught G. E. D. Preparation this year, travelled to Bangor on May 14 for a meeting regarding the proposed External Credit Option for Adult High School completion. This proposal would allow adults who have the ability to work independently to earn High School credits through directed independent study. Pending the awarding of an Adult Basic Education Special Project Grant, six pilot sites will be selected for this program next year, with the intended expansion state wide planned for 1982. While at the Bangor meeting, Mrs. Newell received a copy of the new handbook for Adult and Community Education for which former S. A. D. #44 Adult and Community Education Director Marie Wilson served as an advisor.

T.T.A.E.R.S. News

(Tri-Town Ambulance & Emergency Rescue Service)
Voted to Purchase a New Vehicle
At the general membership meeting of Tri Town Ambulance on May 13, the members voted to purchase a 1981 van-type ambulance from Wheeled Coach Sales, the lowest bidder meeting state requirements. A 10-year plan prepared by the long range planning committee compared the costs of a new vehicle vs. a five year old used vehicle, realizing its need to be replaced in another five years. Most of the discussion was financial, whether T.T.A.E.R.S. could afford a new vehicle or not. Most people felt the importance of fund-raising through the summer to reduce the amount needed to be borrowed from the bank. A delivery date was specified as Aug. 31, 1981. This vote makes all upcoming fund-raising events even more important.

Saturday, May 23, is Food Sale day to benefit Tri-Town Ambulance. Greenwood is having its food sale at 1 p. m. at the Yankee Grocer in Locke Mills. Contact Kathy Hakala to help. Sumner is having its sale at 11:00 at the East Sumner Store. Contact Lillian Abbott to help. The West Paris food sale will be at 11 a. m. at the Trap Corner Superette. Contact Mildred York to help. Woodstock's food sale will be at 11:00 at the Village Store in Bryant Pond. Contact Laska Swan to help.

There will be a Walk-A-Thon Walk-for-the-Health-Of-It on Sunday, June 7, with registration from 12:30-1:00 p. m. at the Agnes Gray

— Mrs. Colista Morgan, Corres. —

May is our magic month. Each dawn the birds' symphony swells toward a musical climax. The hairy and downy woodpeckers add their drumming of sheer exuberance, as well as for food or to call a mate.

In May, too, the woodland flowers find their way into many conversations. Since March we have had flowering bushes for the willows began to turn yellow with pollen, however, many of these early tree blossoms haven't looked like flowers. For instance, the fuzzy caterpillars of the aspen and the beaded tassels of the red maples we accept but don't think of them as flowers. But the Hobbles-Bush grabs early glory as does the Shadbush. They are usually ahead of the apple and cherry blossoms. The Hobbles-Bush has exploded in to sight along the roadsides and hillsides. The marginal flowers of these flat topped clusters, like those of the hydrangea, are much larger than the inner ones, and are usually without either stamens or pistils, their only part in the economy of the shrub being to form an attractive setting for the cluster, and thus allure the insect visitors that are usually so necessary to the future well-being of the species.

When I walked the quiet, shadow-dappled woodland one day, the leaf canopy was deep green, fresh and glowing for time and heat have not yet drained their beauty.

Woodland lives told of their presence with small rustlings among the dense shrubs. But not so quiet, the rose breasted grosbeak, but he called over and over for a mate.

Ferns and flowers offered their beauty; the sweet violets, wild oats, wake-robins, and something singularly fragile nodding from the rocky ledges where they thrive best, the Dutchman's Breeches.

Also, "—Within the woods/Whose young and half transparent leaves scarce cast/A shade, gay circles of Anemones / Danced on their stalks."—Bryant.

And peeping at me from the feathery foliage of the spring woods, Whittier wrote — "wind-flowers sway/Against the throbbing heart of May."

With the spring flowers, mountains to which I could lift my eyes from time to time, a peaceful grove and a woodland brook; what more could I ask?

I came home after a visit to the ledges, to the farm field, and beneath the apple trees. A short time ago an apple tree was just a tree.

MUNDT-ALLEN POST #81

Mundt-Allen American Legion Post #81 met on Tuesday evening, May 12. Following installation of 1981-82 officers a business meeting was held.

Delegate to Boys State in June will be Alan Korhonen with Tim Kersey II as alternate. Ken Cole was chosen to attend the Police Academy session for students.

Post and Unit members have been invited to worship with the congregation at West Parish Congregational Church at 10:30 a. m. Memorial Sunday, May 24. All should plan to attend.

TOPS NEWS

Ten members of TOPS Chapter #ME76, Locke Mills, attended State Recognition Days in Bangor Friday and Saturday, May 15-16. Out of 50 chapters in Maine, who nominated candidates for a special "helping hand" award, Chapter 76 was chosen and Kathleen Kennagh, Bethel, received a trophy and special recognition at the Saturday morning session. Others attending included Margaret Ring, Locke Mills; Thomasina Poland, West Paris; Sandra Poland, South Paris; Brenda Blaisdell, West Bethel; Evelyn Reed, Beatrice Buck, Lyndell Carter, Judith Brown and Ruby Coolidge, all of Bethel.

Today it was a huge bouquet, magnificent and exquisite in every detail. The buds, pale pink, but opened each blossom was a little single rose. The sweetness lingered as I walked on. The aroma contained the blue of the sky, the essence of sunlight, all combined.

Now a hurried trip down Mosquito Lane but today it was Black fly Lane (the pesky things!) I wished I had taken my bee-hat on the final stretch to home.

To close a lovely walk, I found three male rose-breasted grosbeaks sitting in the road by the feeder. The sun's rays striking the water and that picture of rich red color on black and white was another picture I shall remember among the many things in my memory garden.

As usual this has been a busy week but more so at this time with lawns to mow and gardens to get ready.

On Tuesday evening a telephone call came to tell me my sister Annie Mills was entering the hospital. So on Friday Lucy Kilday and I visited her in Sanford.

On Saturday, Doris Hayes and I attended the Retired Teachers' meeting in Oxford.

Kathy Curtis visited her sister, Lucy Bragg and her mother, who is still with Lucy. Lucy will have the cast removed from her leg this coming week.

Leomas Holt was at the home of his son, Robert, in Windsor, on Sunday, where he helped him work on his house.

Verna Libby, Falmouth, is with her sister, Doris Hayes, for a few days.

Mr. and Mrs. Bruce Swan and Stacy were Sunday dinner guests of his parents, Mr. and Mrs. Harry Swan Jr.

Brian Dunham and Bethany Rowe were united in marriage Saturday at the Locke Mills Union Church. A great many from the area heard them pledge their vows which they wrote themselves. Alan Dunham sang a song for them.

Jason and Jack Rowland and Dustin Mills spent the week end with their grandparents, Mr. and Mrs. Lee Mills while their parents Mr. and Mrs. Dwight Mills were in Portland to be near her mother, Irene Gautreau of Mexico, who was seriously ill at the Maine Medical Center. She underwent emergency surgery on Sunday but never rallied and died Monday morning. The town offers its sincere sympathy to her family.

The Locke Mills Union Church had to postpone its annual Sunday School picnic due to the condition of the Recreation Field. It will be held May 31 at 12 noon at the Recreation Field.

The Bookmobile will be in town on Tuesday, May 26 at the Ekco Wood Products parking lot from 2:20 - 3:20 p. m.

Mr. and Mrs. John Mills were in Rumford Sunday afternoon where they met their daughter and son-in-law, Mr. and Mrs. John Smith of Dryden and returned their kitten who had spent several days at the Bethel Animal Hospital. Mr. and Mrs. Smith had attended the S. R. D. at Bangor of the TOPS organization on Saturday and were pleased to see some friends from the Locke Mills chapter there.

Closing exercises were held at the Locke Mills Union Church last Sunday, May 17 at the morning worship services. Sent in by Eva Yates:

A beautiful sunny but cool morning—26° here. The past week has brought us some much needed rains—a few thundershowers and some cloudy days but all in all, it was a pretty nice week. The Go-shoes have not been too busy. Tuesday the 12th they made a hurried call to Norway as the automobile had to make a visit at the garage. Then on Wednesday, Jo and Eva joined the Misses Elvira and Martha Birney of Oxford and Viva Whitman of Norway and went to Union, N. H., and visited Mr. and Mrs. Arthur Edwards and Mr. and Mrs. George Parsons. We all had a lovely visit, a delicious lunch and a good ride—everything is so fresh and green and pretty. The thundershowers that morning at 3 o'clock had left everything with a sparkle.

The Sunday River neighbors and friends were very sorry to hear of the death of Phyllis Williamson—she was a good neighbor and friend—our sympathy goes to her family.

Bryce Yates was in Massachusetts Friday on business. He returned home Saturday.

The Rawleigh lady, Elsie Tucker, was around Thursday and had dinner with Joe and Eva Yates.

Bear River Grange will meet May 23—a most important and unusual meeting—if you members have any interest whatever in your Grange, you should come. We all need to be there and have a quiet and important discussion. So don't fail to be there; it's very necessary.

Mrs. B. H. Yates called on Eva and Joe Yates and took them some dandelion greens. Good greens.

Few callers—no news—so I'll say Happy black fly and mosquitoes slapping.

Some from South Woodstock attended Mother's Day entertainment held at the Ledgeview nursing home Sunday afternoon for the patients and friends. The Northern Lights singing group sang many pieces of music for all to enjoy. I called on Lizzie Russ while there.

Five of the children of Mr. and Mrs. Frank Campbell called on them Mother's Day.

Esther Davis invited Olive Davis to ride to Breton Mills with her Wednesday. We made several calls on friends in the area; Mr. and Mrs. Ruel Gordon being our first call. Mrs. Gordon showed us her art work, painting tray, which was beautiful. Then we called on Mr. and Mrs. Charles Keith. We had a picnic lunch at Breton Pond picnic area. We called on one of Esther's relatives, Lida Gordon. Then Esther took me to her old homestead where she was raised on the hill overlooking Breton Pond.

LELAND P. BRADFORD

Leland P. Bradford, Ph.D., internationally known educator who had long-time connections with Bethel, died on Wednesday, May 13, 1981, of a massive heart rupture at the age of 75 in Pinehurst, N. C.

Dr. Bradford was best known as a pioneer in the development of sensitivity training and group decision-making methods. Along with Kenneth Benne and Ronald Lippitt, he developed the first training group sessions in Bethel in the summer of 1947. These led to the founding of the National Training Laboratory in Group Development, now called NTL Institute for Applied Behavioral Science. Use of experience-based learning groups has since spread worldwide as a major educational innovation. While NTL has developed into an extensive organization with year-round programs throughout the U. S., they still hold approximately 35 programs in Bethel each summer at the NTL Conference Center on Broad Street, as well as at Gould Academy.

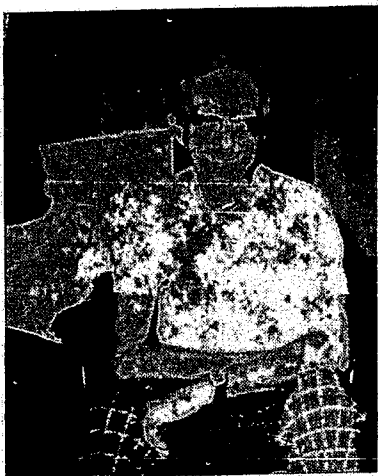

A native of Illinois, Dr. Bradford received his A.B., M.A., and Ph.D. degrees from the University of Illinois. While a doctoral student he became State Director of Adult Education for the WPA in Illinois. During World War II he was Chief of Training for the U. S. Immigration and Naturalization Service, and he later held the same post at the Federal Security Agency. In 1945 he was selected by the National Education Association to be the first Executive Secretary of their new Division of Adult Education Services. In this role he was one of the leaders in the field of adult education, serving as Secretary (1959-1962) of the International Committee on Adult Education of the World Confederation of Organizations of the Teaching Profession (WCOTF) and as an American Delegate to a number of postwar international conferences.

As Director of NTL Institute for 25 years, he built that organization into the leading professional institute in the use of experience-based group methods, putting together an adjunct staff of more than 350 leading behavioral scientists in the U. S. and abroad. While Director, he co-edited the definitive work in the field, "T-Group Theory and Laboratory Method: Innovation in Re-Education" (1964). After his retirement from NTL in 1972, he launched a new career studying the problems of retirement. This led to a book written with his wife, Martha, entitled "Retirement: Coping with Emotional Upheavals" (1979), as well as articles in the "Harvard Business Review" and other periodicals.

During his career Dr. Bradford authored or edited six books and more than 150 articles. In addition to receiving awards from many organizations, he was granted honorary degrees of Doctor of Humanities from both Boston University and Lesley College, and Doctor of Laws from the University of Cincinnati. His biography was listed in "Who's Who in the World", "Who's Who in America", "American Men and Women of Science" and many other such listings. He was a direct descendant of William Bradford, second Governor of the Plymouth Colony, Massachusetts.

At retirement, Dr. Bradford took up residence in Pinehurst, N. C., but he continued to spend the summers in Maine, at his house in Center Lovell. He is survived by his wife, Martha De Maeyer Bradford, of Pinehurst; a son, Dr. David Lee Bradford, a psychologist at Stanford University, Stanford, Calif.; and two grandchildren.

A private memorial service was held in Pinehurst on May 18. Plans for other memorial services will be announced later. The family asks that, in lieu of flowers, contributions be made to the Heart Fund of the Moore Memorial Hospital, Box 3000, Pinehurst, N. C. 28374.

Dr. Leland P. Bradford

ARTHUR COFFIN

Arthur Coffin died suddenly at his home in Bryant Pond, Sunday morning, May 17, 1981.

He was born at North Waterford, July 5, 1908, the son of Frank and Lavinia Birney Coffin. He attended Woodstock High School and was married to the former Gertrude Everett on April 1, 1930. Mr. Coffin was employed as a millwright at the Oxford Paper Company mill in Rumford for 28 years prior to his retirement in 1973.

Survivors include his widow of Bryant Pond; four sons, Robert Coffin, West Paris, Fred Coffin, South Waterford, Arthur Coffin Jr. and Lawrence Coffin, both of Bryant Pond; two daughters, Mrs. Joanne Davis, Harrison, and Mrs. Patricia Bean, South Paris; two brothers, James Coffin, West Paris, and Arnold Coffin, Paramus, N. J.; three sisters, Mrs. Alice Goff, Rumford, Mrs. Evelyn Barrett and Mrs. Doris Lawrence, both of West Paris; 23 grandchildren, and 16 great-grandchildren.

Funeral services were held Tuesday afternoon at the I. W. Andrews and Son funeral home, South Woodstock. Interment was at Lakeside Cemetery, Bryant Pond.

Directors' Meeting

The M. S. A. D. 44 board of directors held a regular meeting at the Telstar Library on Monday evening of this week.

Warren Bouchard, Telstar principal, briefly reviewed for the board, curricular changes that will be implemented for the 1981-82 academic year.

Following an executive session concerning negotiations and a personnel matter, the board took the following actions.

The directors approved David Girona as teaching principal at the Andover Elementary School for the 1981-82 school year.

Ratification was granted to a two year agreement between the S. A. D. 44 Board of Directors and the Telstar Educators Association.

The board approved second probationary contracts for two members of the certified staff currently on first year status. Annual salary agreements were approved for three staff members currently on second probationary contract status. Annual salary agreements were approved for 73 staff members currently on continuing contract.

Board members not present Monday evening were: Tim Carter and John Laban, Bethel.

The next meeting of the S. A. D. 44 board is scheduled for Monday, June 1, at the Telstar Library.

NOTICE

The annual meeting of the Bethel Riverside Cemetery Association Inc. will be held at the home of Mrs. R. S. McMillin, High Street, Wednesday, May 27, 1981, at 7:30 p. m. Any person owning a lot is automatically a member of the Association and is cordially invited to attend the meeting. 20-21

MULTIPLE SCLEROSIS

Multiple Sclerosis strikes young adults in their prime and Maine has more victims than any other state. It is a mystery disease and is very hard to diagnose as well as having no known cure. Mrs. Frank Gibson is Captain this year, and the marchers are Gertrude Hutchins, Mary Angevine, Melinda Remington, Elizabeth Smith, Elaine Packard, Maureen Swain, Ginny Walker, Mary Wheeler, Betty York, Mrs. Gordon Gillies, Gloria Snyder, Judy Haskell, Mrs. Mark Boche, Mike and Linda Gilbert, Gloria Crockett, Myrna Carter, Jackie Crockett, Ruth Feeney, Melinda Merrill, Anita Remington, Gerry Shimamura, Jackie Wiese, Freda Davis, Kay Chadbourne, Mrs. Charles Keoskie, Pat Hudson and Nancy Hanscom. Containers have also been put in the Bethel Spa; Ripley & Fletcher, Main St.

TELSTAR PHYSICAL EXAMS

All students in grades 6-11, M. S. A. D. #44, planning to participate in athletics during the fall of 1981 are requested to make an appointment for a physical examination with the school nurse as soon as possible. Exams will be given until the close of school in June. Telstar athletic policy requires a yearly physical exam. Failure by students to take advantage of this period of time for exams will result in their being delayed from beginning the sports season on time. Any student desiring a physical by their own physician may do so at their own expense. Physical cards are available from the district nurse or athletic director.

FROM THE TOWN OFFICE

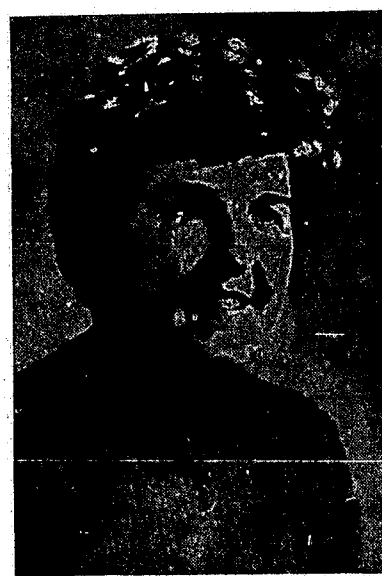

continued from Page One
time local police services. The Manager was authorized to work out final arrangements with Sheriff Alton Howe.

The Bethel Water District Trustees met with the Selectmen for a joint session. Supt. Richard Enright informed the Board of the completion of the West Bethel line replacement project, plans for replacing two old hydrants, plans for work on the Chapman Brook right of way, and line replacement on Tyler Street.

Discussions also took place on ways the Trustees and Selectmen could gain a closer working relationship with helpful input from all concerned. The two Boards agreed that quarterly joint meetings would be beneficial and the next meeting was planned for August.

The Town Manager reviewed the 1981 sewer department budget with the Selectmen. The Board approved the budget, however they directed the Manager to work with department personnel to try and reduce costs. Given the department's deficit at the end of 1980 and increased operating costs, the Board recommended a rate increase effective with the July billing which would increase the rate 15% or \$2.50 per 1,000 cubic feet of water consumption. Fees for the dumping of septic waste would be increased from 3 cents to 5 per gallon. A public hearing on the proposed rate increase will be held June 8.

In other actions, the Board reappointed Marcus Moore as a member of the Radio Study Committee and the Manager reported that soils tests at the Town Farm

Mrs. Phyllis Erwin

property indicated that the site would be unacceptable as a sludge disposal site.

The next regular meeting of the Selectmen will be Monday evening, June 8.

LOCAL CHAMBER APPLIES

continued from Page One
which prevent the chamber from producing multiple publications.

If the application is approved, businesses involved in the "industrial" segment of the local economy will be contacted as to how they can best join the effort in marketing Bethel products outside the local and state areas. In this regard the already pledged cooperation from the Bethel Area Development Corporation will become most helpful from the chambers point of view. This program is also seen by the chamber's directors as encouragement for local businesses to assist in this effort by financially supporting the chamber through membership dues.

For further information interested businesses should contact either Wende Frutche at Sunday River, 824-2187, or Don Bennett, 824-3322.
